Part 2 - Results

- Negative** -Based solely on the name(s) and date of birth provided and the criminal record information declared by the applicant, a search of the RCMP National Repository of Criminal Records, including Record Suspension (Pardoned) sex offender records, did not identify any records with the name(s) and date of birth of the applicant. All available police records management systems and court records, where applicable were also searched. Positive identification that a criminal record does or does not exist at the RCMP National Repository of Criminal Records can only be confirmed by fingerprint comparison. Delays do exist between a conviction being rendered in court, and the details being accessible on the RCMP National Repository of Criminal Records. Not all offences are reported to the RCMP National Repository of Criminal Records.
