

KEEP - Kindergarten Expanded Education Application 2018 – 2019 School Year

KEEP is an opportunity for Kindergarten children to expand their learning through an extended day at school. The funded half day Kindergarten program in all elementary schools will be supplemented by an optional full day program in some schools. This optional program is designed for students residing in the attendance area of the schools identified:

- Beacon Hill Public School
- Dave McNeilly Public School
- Thickwood Heights Public School
- Timberlea Public School
- Westview Public School
- Greely Road (TBD)

Please complete the application and return it to the school at which you are registering your child.
