

KinderTech

2019 – 2020 School Year

KinderTech is a program for students who want to experience technology infused early learning. KinderTech at Dave McNeilly Public School will encompass elements of basic coding, science, art, math, engineering and a variety of other technologies within an early learning context.

Dave McNeilly Public School offers the KinderTech Program in addition to a traditional Kindergarten program. As a means of showing interest in the KinderTech Program please submit a completed school registration form and KinderTech form to the school office.

Please complete and return to Dave McNeilly Public School
