

Strategic District Plan – At a Glance 2012-2015

Our
Mission
is to:

Educate all students for
personal excellence.

Our
Vision
is to:

Inspire and engage
students for life-long
learning.

We Believe In:

- Achieving high standards for all students
- Developing life-long learners
- Partnering with parents in student learning
- Ensuring safe and caring schools
- Developing responsible and productive citizens
- Providing quality inclusive programs
- Ensuring professionally competent staff
- Being accountable for student achievement

Therefore Our Goals Are:

High Quality Learning Opportunities for All

- Increase student achievement results
- Increase high school completion rates and decrease drop-out rate
- Model 21st century student learning competencies
- Ensure additional learning supports & services increase student achievement

Excellence in Student Learning Outcomes

- Provide students a sense of belonging and respect for individual differences
- Provide students with programs of choice
- Ensure teachers differentiate instruction and measure student response to intervention(s) provided

First Nations, Métis and Inuit Students

- Improve student achievement on provincial tests
- Increase high school completion for FNMI students
- Promote staff understanding of FNMI culture and language
- Close the achievement gap between FNMI students and other students

Highly Responsive and Responsible District

- Enhance professional practice competencies of staff
- Enhance school and instructional leadership teams
- Improve instructional capacity of all teachers

Bottom line:

- Doing what's best for kids by raising the bar and closing the achievement gap for every learner.
