- More high school students are writing Diploma examinations.
- Our schools are safe and caring.
- Students are provided a quality education.

■ OUR priorities

- Continue focus on literacy, numeracy, and competencies for 21st century learners.
- Provide excellent start to learning.
- Differentiate instruction to meet diverse learning needs.
- Promote inclusive education.
- Ensure quality teaching and school leadership.
- Continue to collaborate with Keyano College to promote post-secondary studies.
- Expand on-line and distance learning options.
- Promote healthy schools and Learning Through the Arts (LTTA).
- Continue to support teachers new to profession and school district.

■ WE'RE listening

- Ensure students achieve learning outcomes, demonstrate citizenship and entrepreneurship.
- Ensure children are ready for learning.
- Continue to promote mental health and wellness for all students.
- Continue to communicate outcomes of learning.
- Balance budget with needs of students.
- Continue to engage parents and school councils to "Doing What's Best for Kids".
- Continue to "Tell Our Story".
- Provide quality inclusive programming for all students.

■ THE bottom line

- Prepare all students for 21st century.
- Connect students with future career pathways based on work force trends.
- Increase student enrolment.
- Improve efficiency and effectiveness of all programs and services.
- Balance district revenues with expenditures.
- Lobby for new schools to support growth and industry needs.
- Leverage public and private sources of funding to promote public education.
- Build greater collective impact through collaborative partnerships based on a common agenda.
