

Responsible Digital Citizenship Through Admirable Use

With teacher approval, students are encouraged to use both Fort McMurray Public School Division computers and their own devices in the classroom to access and save information from the Internet, collaborate with others, and utilize the productivity tools available to them through their student Google Apps accounts and other approved tools. When using digital devices, whether school or personally owned, you as a student are expected to be:

Protecting me.

- I will only go on the computer when I have permission.
- I will only go to pages I am allowed to go to.
- I will only share pictures and stories about myself when my teacher tells me to.
- I will talk to my parents and teacher about all of my online friends.
- I will tell my teacher or parents if anyone is unkind to me on the computer.
- I will only go to places that are nice and I will tell my parents or teacher if I go to a place that is negative, unkind or rude.

Protecting others.

- I will only say positive things about people.
- I will ask before I share a picture or story about a person.

Protecting property.

- I will not download movies, games or music illegally.
- I will check that the information I get on the Internet is correct.
