

Walter & Gladys Hill Public School

*"Empowering lifelong learners and
inspiring creative minds."*

Assurance Framework School Growth Plan Fall Results 2021-2022

Walter and Gladys Hill Elementary School is located in Eagle Ridge in Fort McMurray, Alberta. We have 506 students and 56 staff members. Our student body is composed of families and students from over 50 different countries, and this diversity is an asset to our school. On typical school years we celebrate diversity with a Multi-Cultural Night and a Chinese New Year, as we host the Confucius Program for language and culture instruction. We have higher numbers of English Language Learners, so we need to plan for providing extra time and support for these students.

Walter and Gladys Hill Elementary School has spent a year and a half aligning our school growth plans to goals set based on our needs and from data collected. Two school years have passed where many disruptions have taken place due to Covid-19, so the work that we are doing reflects the important need to identify potential gaps where our students are in literacy and numeracy.

We have gotten off to a decent start with our two primary goals: identifying gaps in and planning interventions for the literacy and numeracy needs of our students. Our work from November to December will be having our staff work on implementing interventions to address the priority gaps that we have identified. Data we collect from the new year and Professional Learning groups on Fridays will guide our progress in the new year until we report on our successes and challenges in the spring. Our school growth plan is a forward-looking document that will continue to evolve. We will continue to learn more about our students, celebrate achievements and growth, and spend our PLF time this year looking for steady improvement.

OUR GOALS

1. High-Quality Learning Opportunities for All
2. Excellence in Student Learning Outcomes
3. Supporting First Nations, Métis and Inuit Students
4. Highly Responsive and Responsible Jurisdiction

ASSURANCE CYCLE

1. Explore - Analyze and Interpret
2. Develop - Identification of Problem, Strategy and Plan
3. Take Action - Implement and Adjust
4. Evaluate - Impact on Outcomes

CURRENT STATE (EVIDENCE)

STRENGTHS

Teaching Quality - 92.4% - A remarkable number considering we were in virtual teaching mode last year for large chunks of time.
 Safe and Caring - 89.6% - Our stakeholders feel that we have a welcoming, safe, caring and respectful school.
 Access to Services - 85.7% - Our staff, parents and teachers feel strongly that we provide quality services to their children.
 - We live in a neighbourhood and have a staff that has a tradition of high expectations for academic success and extracurricular programming.

AREAS FOR GROWTH

Literacy - Holistically, we need our students to be doing Guided Daily Reading and we need to support our large ELL population
 Numeracy - We need to assess our numeracy gaps at the end of this year and the beginning of next year to assess where our greatest needs are.

LOCAL CONTEXT

- Located in Eagle Ridge
- Currently 506 Students, an increase from 460 last school year
- 56 Staff members total including 27 ATA and 29 CUPE
- Diversity is at the core of our school with 32% ELL students, 4% FNMI students, and 11% students with special needs
- Our school focus is supporting inclusion (III and Sensory Room), extra-curricular activities (Athletic, Artistic and Musical) and closing the academic, social and emotional gap for our students (two year Covid gaps, Literacy and Numeracy support, interventions)

STRATEGIES FOR MOVING FORWARD

1. PROFESSIONAL LEARNING FRIDAYS
CRM meetings are integrated into PLF Fridays, so CRM becomes the talk time while PLF becomes the work time. Our collaborative groups have been doing great work so far this year, and include time for mental health.
2. PHYSICAL RESOURCES
We are using a variety of old and new literacy and numeracy resources to make sure we are using them to their potential, and to try new things out.
3. HUMAN RESOURCES
Our Divisional consultants have spoken to us regarding Guided Reading, and ELL. Numeracy and literacy meetings have been ongoing.
4. BUDGET
We feel good about the resources we have purchased and used over the last two years. It is time to maximize them with our planning and utilization.

INDICATORS OF SUCCESS

SHORT TERM

- By the end of December, our plan to report on how our literacy and numeracy intervention tools have been working..
- Information on our plan for ELL supports and literacy progress will be compiled at our two December PLF times to track improvements.

MOVING TO - DESIRED STATE

- By spring break 2022, we want to analyze data from a variety of sources (CC3, Lens, MIPI, Fountas and Pinnell, Precision Reading, and ELLA) to track improvement levels for our students.

GROWTH AREA: Literacy – Daily Guided Reading for all in 2021-2022, and special interventions for our ELL students

ACTION FOR IMPROVEMENT: Literacy - IF time and resources were made available for staff to engage in a collaborative response model where they bring forward evidence of their Daily Guided Reading/ELL instructional practices and the resulting impacts on student learning and IF the school leadership team is also actively engaged in exploring and building collective knowledge about effective Daily Guided Reading/ELL instructional practices THEN we would expect to see increased instances of students with experience in and knowledge in literacy in various contexts.

What does the evidence tell you about current teaching practices?	Strategies for improvement <i>How?</i>	Short term success indicators (October) <i>Evidence of Improvement</i>	Moving To... (June) <i>Desired State "Audacious" 1-year goal</i>
<p><i>Current State</i></p> <p>Div 2 AVG reading below grade level is 27% per class</p> <p>Div 1 AVG reading below grade level is 39% per class</p> <p>33% of ELL students currently reading below grade level</p> <p>41% ELL at grade level</p> <p>26 % ELL students above grade level</p> <p>Based on term 2 F&P</p>	<p>Fountas and Pinnell benchmarking system - March</p> <p>Clevr ELL benchmark system</p> <p>CC3 and Lens for grades 2 and 3</p>	<p>Higher averages in Div 1 suggest a wider gap in language learning caused by covid absence from school during foundational years.</p> <p>Students often decode well but struggle with comprehension</p>	<p>Current practice using benchmarking has identified a significant challenge area in reading levels</p> <p>If we are able to gather more frequent data, that data should drive teaching practices.</p>	<p>.5 literacy position for targeted groups</p> <p>Literacy focus in CRM meetings</p> <p>Differentiated instruction via Lexia, reading eggs, etc.</p> <p>One on one ELL tutoring weekly</p> <p>Analyze CC3/LENS data for grades 2/3 to target foundational strategies and drive tier 1 interventions in class</p>	<p>Begin reading groups and classroom instruction based on June data</p> <p>Benchmark students by October, including CC3/LENS assessment</p>	<p>Close the gap by moving at least 85% of students to, at, or above grade level reading standards</p> <p>Achieve ELL students reading at grade level by end of third year of ELL support</p>

GROWTH AREA: Numeracy - Identifying and Closing Gaps in 2021-2022

ACTION FOR IMPROVEMENT: Numeracy - IF time and resources were made available for staff to engage in a collaborative response model where they bring forward evidence of their numeracy instructional practices and the resulting impacts on student learning and IF the school leadership team is also actively engaged in exploring and building collective knowledge about effective numeracy instructional practices THEN we would expect to see increased instances of students with experience in and knowledge in numeracy in various contexts.

Moving From...	Evidence in support of claim (baseline data)	What does the evidence tell you about the current state of student learning?	What does the evidence tell you about current teaching practices?	Strategies for improvement <i>How?</i>	Short term success indicators (October) <i>Evidence of Improvement</i>	Moving To... (June) <i>Desired State "Audacious" 1-year goal</i>
<i>Current State</i>						
Despite a history of high achievement in provincial testing, teachers have noticed gaps in basic math facts, particularly in foundational years, likely due to absenteeism and extended periods of online learning.	Roughly 42% of division 1 students scored "below average" or "at risk" on September 2021 MIPI assessment Roughly 28% of division 2 students scored "below average" or "at risk" on September 2021 MIPI assessment	Gaps will be a big concern for this end of school year and next. Learning is moving along, but things will inevitably be missed due to long term home learning.	Patterns are a challenge across grade levels based on MIPI data. Patterns may need to be revisited throughout the school year, as it is often taught at the beginning of the year and the gap from year to year may be part of the issue	MIPI completed by all teachers by end of September, as well as provincial math assessment in grades 2 and 3 School and division collation of data to determine trends and gaps Numeracy focus in CRM meetings, and tier 1 & 2 interventions in class Investigate use of a math running record Use of differentiated tools such as Mathseeds, Mathletics, manipulatives, centers, Prodigy, etc.	MIPI and provincial assessment for grades 2 and 3 completed and baseline data entered, analyzed and plans formed to dial in what numeracy needs are the greatest. Teachers will have access to and be able to use diagnostic tools besides MIPI to inform their teaching.	Re-administer MIPI in May with improved accuracy in gap areas Conduct following years MIPI in May and compare with September results Consistent scoring in provincial assessments Students confident and capable in basic math facts Math running records

FORT MCMURRAY PUBLIC SCHOOL DIVISION GOAL PLANNING

Doing What's Best for Kids

Walter and Gladys Hill Elementary School

Assurance Measure Results Summary

Doing What's Best for Kids

OUR STAKEHOLDERS - STUDENTS, STAFF & PARENTS

506 STUDENTS

32 % English Language Learners
24 % Early Childhood Learners
4 % First Nations, Métis, Inuit
8 % Severe Disabilities

56 STAFF

27 ATA Employees
29 CUPE Employees

PARENTS

81% of parents are satisfied in their involvement in decisions about their student's education

RESPONDENTS

91 Students 24 Teachers 23 Parents

STAKEHOLDER FEEDBACK

92.4 % of stakeholders are satisfied with our overall teaching quality.

89.6 % of stakeholders feel we have a safe and caring school.

85.7 % of stakeholders feel we have access to supports and services.

IMPROVEMENT AREAS

- ⬆ Student Learning Engagement
- ⬆ Parental Involvement
- ⬆ Citizenship

PROGRAM PRIORITIES

- ✓ Identify Literacy and Numeracy Gaps with school and division assessment tools such as CC3 and Lens
- ✓ Use intervention tools to close literacy and numeracy gaps in all classes.
- ✓ Support stakeholder mental health with division and community resources.

2020-2021 SCHOOL REPORT CARD

Below are the results of the NEW Alberta Education Assurance Measure completed by our school's parents, students, and staff.

STUDENT LEARNING AND ENGAGEMENT

2020-2021 School Result - 83.9%
2019-2020 School Result - No Data
2020-2021 Provincial Result - 85.6%

CITIZENSHIP

2020-2021 School Result - 85.6%
2019-2020 School Result - 90.1%
2020-2021 Provincial Result - 83.2%

3 YEAR HIGH SCHOOL COMPLETION

2019-2020 School Result - n/a
2018-2019 School Result - n/a
2019-2020 Provincial Result - 83.4%

5 YEAR HIGH SCHOOL COMPLETION

2019-2020 School Result - n/a
2018-2019 School Result - n/a
2019-2020 Provincial Result - 86.2%

EDUCATION QUALITY

2020-2021 School Result - 92.4%
2019-2020 School Result - 96.3%
2020-2021 Provincial Result - 89.6%

WELCOMING, CARING, RESPECTFUL AND SAFE LEARNING ENVIRONMENTS

2020-2021 School Result - 89.6%
2019-2020 School Result - No Data
2020-2021 Provincial Result - 87.8%

PARENTAL INVOLVEMENT

2020-2021 School Result - 81.0%
2019-2020 School Result - 89.6%
2020-2021 Provincial Result - 79.5%

Walter and Gladys Hill Public School

"Empowering lifelong learners and inspiring creative minds"

The WGH Narrative of Results

Since June of last school year, Walter and Gladys Hill Elementary has had the opportunity to review a number of data sources to direct our School Plan. For literacy needs, we have reviewed Fountas and Pinnell data, and our grade 2 and 3 students have completed the CC3 and Lens assessments provided by Alberta Education. For numeracy, we have completed the MIPI diagnostic and our grade 2 and 3 classes have completed the numeracy assessment for Alberta Education.

The AEA report was reviewed to assess stakeholder satisfaction, and the OurSchool report provided us a snapshot of student satisfaction in our building.

Most recently, we have completed the CHEQ survey for Kindergarten, and will make time to review this data as it provides a look at what our student needs will be years down the road.

We learned that our students need academic support with phonics, phonemic awareness and functions and patterns. These skills stood out as missing building blocks that have been negatively affected by two years of disrupted learning. We also learned that our students are resilient and that parents thought the quality of education was very high, a great statistic considering the stress caused by moving in and out of virtual learning. Our staff scored us the highest out of the three stakeholders, which is reassuring since most of the stress of virtual education was placed on their shoulders.

Last year's PLF plan focused on learning ways to navigate the pandemic while providing quality education. The focus had to be on teaching what was most important, so our groups focused on breaking down curricular content into virtual chunks. In preparation for this school year, our PLF plan concluded in June that the focus should be on identifying literacy and numeracy gaps, and then building a plan to provide appropriate interventions to those areas.

Our school has a 32% English Language Learner (ELL) population, so ELL interventions are critical to ensuring these students get extra help and support with literacy. Our universal approach to Tier 1 and 2 classroom interventions will help our ELL students, but we also target ELL support with a 0.5 FTE teacher who does intervention pullouts for ELL. As well, we are partnered with the Multicultural Association (MCA), and Natasha Gregorek tutors up to 16 students for 30 minutes per week. She recently was awarded a FMPSD Partners Award for her work with us and Thickwood School.

4% of our students are First Nations, Metis and Inuit (FNMI). Our data shows that our FNMI students typically are 1 to 2 reading levels behind their peers, so closing the gap is a priority for us. To support these students, we use Precision Reading, a tool that gives kids a chance to build their literacy skills once a week, with the ultimate goal of increasing confidence and skill in reading for our FNMI students.

Our school plan for the year is very straightforward.

- Identification of literacy and numeracy gaps through data collection

Walter and Gladys Hill Public School

3-301 Sparrow Hawk Drive, Fort McMurray, AB T9K 1S5 PH: 780.743.3101

"Empowering lifelong learners and inspiring creative minds"

- Use universal tier I/II interventions to support the specific needs that our students face (functions and patterns, phonics, phonemic awareness)
- Give time for teachers to work to implement the intervention strategies (first 30 minutes of the day after the bell and attendance)
- Using staff meetings, PLF and CRM time to follow up, collaborate and build academic plans for classes
- Provide supplemental support for our ELL and FNMI students
- Report our results, successes and challenges in May and June

If you have any questions about our school plan, or want to know more, please reach out to me at brendan.toner@fmps.ab.ca or call the school at 780-743-3101.

Mr. Toner

Growth Area: Literacy

Increase student literacy knowledge in various contexts, by making resources available to staff, engaging in CRM, and building collective knowledge about effective Guided Reading and ELL instructional practices.

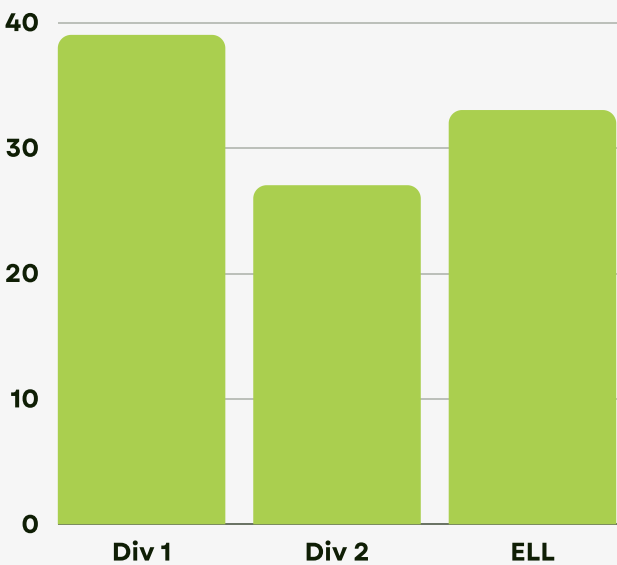

LITERACY JUNE 2021 SNAPSHOT

DATA COLLECTION

Assessment
Assessment systems used were Fontas & Pinnell and the Clevr ELL benchmark system

Percentage of students below grade-level reading standards

Current State of Learning

Division 1 averages suggest a wider gap in language learning caused by gaps in education during the foundational years (Covid, flood, etc.)

Strategies for Improvement

.5 literacy position for targeted groups

Literacy focus in CRM meetings

Differentiated instruction via Lexia, reading eggs, etc.

One on one ELL tutoring weekly

Analyze CC3/LENS data for grades 2/3 to target foundational strategies and drive tier 1 interventions in class

Success Indicators

Begin reading groups and classroom instruction based on June data

Benchmark students by October, including CC3/LENS assessment

Close the gap by moving at least 85% of students to, at, or above grade level reading standards

Achieve ELL students reading at grade level by third year of ELL support

Growth Area: Numeracy

Increase student knowledge in various numeracy contexts, by making resources available to staff, engaging in CRM, and building collective knowledge about effective numeracy instructional practices.

NUMERACY SEPTEMBER 2021 SNAPSHOT

DATA COLLECTION

Percentage of students who scored as below average or at risk in MIPI and AB math assessments

Current State of Learning

Despite a history of high achievement in provincial testing, teachers have noticed gaps in basic math facts, particularly in foundational years, likely due to absenteeism and extended periods of online learning.

Strategies for Improvement

MIPI completed by all teachers by end of September, as well as provincial math assessment in grades 2/3

School and division collation of data to determine trends and gaps

Numeracy focus in CRM meetings, and tier 1 interventions in class

Investigate use of a math running record

Use of differentiated tools such as Mathseeds, Mathletics, manipulatives, centers, Prodigy, etc.

Success Indicators

Re-administer MIPI in May with improved accuracy in gap areas

Conduct following years MIPI in June and compare with September results

Consistent scoring in provincial assessments

Application of math running record

8	APPENDIX - DEFINITIONS FOR MEASURES AND KEY TERMS	309

What's New for Spring 2021?

This section outlines any changes to the data, calculations or measures compared to the May 2020 release.

Layout Update

- The report has been reorganized to align to the domains of the Assurance Framework.
- The “N/A” placeholder for the “Current Result” in the overall summary for the Provincial Achievement Test and Diploma Examination measures is included in the Spring reports until results can be updated in the Fall.

Data Updates

- New year of results for all survey measures.
- New year of results for all derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate and Rutherford Scholarship Eligibility Rate).

Impact of Reporting System Update on Derived Measures

- Current and historical results for **High School Completion Rate, Post-secondary Transition Rate, and Diploma Exam Participation Rate** were restated to reflect an update to the Alberta Education Assurance Measure reporting system (formerly Accountability Pillar Online Reporting Initiative) to ensure concordance with the existing student outcome measures methodology.
 - New achievement, improvement, and overall evaluations based on the restated results were calculated for the impacted measures.

Impact of COVID-19 Pandemic on 2019/20 Provincial Assessments and Student Outcome Measures

- Participation in the Provincial Achievement Tests (PATs) and Diploma Examinations was impacted by the COVID-19 pandemic.
 - Results for the 2019/20 school year are not available for the **PATs, Diploma Examinations, and Diploma Exam Participation Rate**.
 - Caution should be used when interpreting **Rutherford Scholarship Eligibility Rate** results over time.
- In the absence of the Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting **High School Completion Rate** results over time.

Introduction of the Alberta Education Assurance (AEA) Survey and Impact of COVID-19 Pandemic

- Caution should be used when interpreting survey results over time as 2020/21 was a pilot year for the AEA survey and participation was impacted by the COVID-19 pandemic. The 2020/21 survey results were not:
 - Evaluated against the provincial standards (Achievement) or previous 3-year averages (Improvement);
 - Included in the calculation of future provincial standards for new survey measures; or
 - Included in the calculation of 3-year averages used to evaluate improvement of future survey results.
- A new “N/A” (i.e., not applicable) response on the parent, student and teacher AEA surveys allowed respondents to clearly indicate when a question was not applicable. A response of “N/A” does not count towards the total number of responses in the survey result.

Required Alberta Education Assurance Measures - Overall Summary

Spring 2021

Province: Alberta

Assurance Domain	Measure	Alberta			Measure Evaluation		
		Current Result	Prev Year Result	Prev 3 Year Average	Achievement	Improvement	Overall
Student Growth and Achievement	Student Learning Engagement	85.6	n/a	n/a	n/a	n/a	n/a
	Citizenship	83.2	83.3	83.0	n/a	n/a	n/a
	3-year High School Completion	83.4	80.3	79.6	Intermediate	Improved Significantly	Good
	5-year High School Completion	86.2	85.3	84.8	Intermediate	Improved Significantly	Good
	PAT: Acceptable	n/a	n/a	73.7	n/a	n/a	n/a
	PAT: Excellence	n/a	n/a	20.3	n/a	n/a	n/a
	Diploma: Acceptable	n/a	n/a	83.6	n/a	n/a	n/a
	Diploma: Excellence	n/a	n/a	24.1	n/a	n/a	n/a
Teaching & Leading	Education Quality	89.6	90.3	90.2	n/a	n/a	n/a
Learning Supports	Welcoming, Caring, Respectful and Safe Learning Environments (WCRSLE)	87.8	n/a	n/a	n/a	n/a	n/a
	Access to Supports and Services	82.6	n/a	n/a	n/a	n/a	n/a
Governance	Parental Involvement	79.5	81.8	81.4	n/a	n/a	n/a

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The 2020/21 administration of the AEA survey was a pilot. The Citizenship measure was adjusted to reflect the introduction of the new AEA survey measures. In addition, participation in the survey was impacted by the COVID-19 pandemic. Evaluations have not been calculated as 2020/21 survey results are not comparable with other years.
3. Participation in the 2019/20 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting high school completion rate results over time.
4. The "N/A" placeholder for the "Current Result" for PAT and Diploma Exam measures are included until results can be updated in the Fall.
5. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE), Français (6e et 9e année), French Language Arts (6e et 9e année), Mathematics (Grades 6, 9, 9 KAE), Science (Grades 6, 9, 9 KAE), Social Studies (Grades 6, 9, 9 KAE).
6. Participation in the Provincial Achievement Tests and Diploma Examinations was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.
7. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Mathematics 30-1, Mathematics 30-2, Chemistry 30, Physics 30, Biology 30, Science 30, Social Studies 30-1, Social Studies 30-2.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

Province: Alberta

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
Citizenship	0.00 - 66.30	66.30 - 71.63	71.63 - 77.50	77.50 - 81.08	81.08 - 100.00
3-year High School Completion	0.00 - 65.95	65.95 - 74.10	74.10 - 84.79	84.79 - 89.00	89.00 - 100.00
5-year High School Completion	0.00 - 72.59	72.59 - 80.82	80.82 - 89.18	89.18 - 91.96	91.96 - 100.00
PAT: Acceptable	0.00 - 66.07	66.07 - 70.32	70.32 - 79.81	79.81 - 84.64	84.64 - 100.00
PAT: Excellence	0.00 - 9.97	9.97 - 13.44	13.44 - 19.56	19.56 - 25.83	25.83 - 100.00
Diploma: Acceptable	0.00 - 71.45	71.45 - 78.34	78.34 - 84.76	84.76 - 87.95	87.95 - 100.00
Diploma: Excellence	0.00 - 9.55	9.55 - 12.59	12.59 - 19.38	19.38 - 23.20	23.20 - 100.00
Education Quality	0.00 - 80.94	80.94 - 84.23	84.23 - 87.23	87.23 - 89.60	89.60 - 100.00
Parental Involvement	0.00 - 70.76	70.76 - 74.58	74.58 - 78.50	78.50 - 82.30	82.30 - 100.00

Notes:

1. For all measures: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

Province: Alberta

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Student Growth and Achievement

S.1 Student Learning Engagement - Measure History

Province: Alberta

The percentage of teachers, parents and students who agree that students are engaged in their learning at school.

	Alberta										Measure Evaluation		
	2017		2018		2019		2020		2021				
	N	%	N	%	N	%	N	%	N	%	Achievement	Improvement	Overall
Overall	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	230,956	85.6	n/a	n/a	n/a
Parent	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	30,994	89.0	n/a	n/a	n/a
Student	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	169,789	71.8	n/a	n/a	n/a
Teacher	n/a	n/a	n/a	n/a	n/a	n/a	n/a	n/a	30,173	96.0	n/a	n/a	n/a

- Notes:
1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
 2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.
 3. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.

Student Growth and Achievement

S.1 Student Learning Engagement - 3 Year Rolling Average

Province: Alberta

The percentage of teachers, parents and students who agree that students are engaged in their learning at school.

	Alberta					
	2017 - 2019 Avg		2018 - 2020 Avg		2019 - 2021 Avg	
	N	%	N	%	N	%
Overall	n/a	n/a	n/a	n/a	n/a	n/a
Parent	n/a	n/a	n/a	n/a	n/a	n/a
Student	n/a	n/a	n/a	n/a	n/a	n/a
Teacher	n/a	n/a	n/a	n/a	n/a	n/a

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.
3. 2020/21 results are not included in the 3-year average as the AEA survey was introduced as a pilot and participation was impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.

	Non-Mover	43,192	35,240	19	570	236	51	107	36,223	2,533	4,436

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Weighting of school-awarded marks in diploma courses increased from 50% to 70% in the 2015/16 school year. Caution should be used when interpreting trends over time.
3. Participation in the 2019/20 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting high school completion rate results over time.
4. Current and historical results were adjusted to reflect an update to the Alberta Education Assurance Measure reporting system.

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.
3. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.

Teaching & Leading

A.4 Education Quality Detail

Province: Alberta

Percentage of teachers, parents and students satisfied with the overall quality of basic education.

Student - Grade 10-12

		N	Very Good %	Good %	Poor %	Very Poor %	Don't Know %	Top 2 Box %
Overall, is the education you are receiving at school	2017	64,033	30	65	3	1	1	94
	2018	48,801	31	64	3	1	1	95
	2019	49,308	32	63	3	1	1	95
	2020	49,734	31	64	3	1	1	95
	2021	39,956	25	68	4	1	2	93

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.
3. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.

Learning Supports

W.1 Welcoming, Caring, Respectful and Safe Learning Environments (WCRSLE) - Measure History

Province: Alberta

The percentage of teachers, parents and students who agree that their learning environments are welcoming, caring, respectful and safe.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

Province: Alberta

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
4-year High School Completion	0.00 - 71.57	71.57 - 78.63	78.63 - 87.93	87.93 - 91.45	91.45 - 100.00
Diploma Exam Participation Rate (4+ Exams)	0.00 - 36.23	36.23 - 41.92	41.92 - 58.66	58.66 - 71.19	71.19 - 100.00
Drop Out Rate	100.00 - 9.40	9.40 - 6.90	6.90 - 4.27	4.27 - 2.79	2.79 - 0.00
Program of Studies	0.00 - 66.31	66.31 - 72.65	72.65 - 78.43	78.43 - 81.59	81.59 - 100.00
Rutherford Scholarship Eligibility Rate	0.00 - 47.98	47.98 - 55.78	55.78 - 68.95	68.95 - 74.96	74.96 - 100.00
Safe and Caring	0.00 - 77.62	77.62 - 81.05	81.05 - 84.50	84.50 - 88.03	88.03 - 100.00
School Improvement	0.00 - 65.25	65.25 - 70.85	70.85 - 76.28	76.28 - 80.41	80.41 - 100.00
Transition Rate (4 yr)	0.00 - 21.98	21.98 - 30.52	30.52 - 44.34	44.34 - 61.50	61.50 - 100.00
Transition Rate (6 yr)	0.00 - 35.49	35.49 - 49.47	49.47 - 62.88	62.88 - 72.76	72.76 - 100.00
Work Preparation	0.00 - 66.92	66.92 - 72.78	72.78 - 77.78	77.78 - 86.13	86.13 - 100.00

Notes:

1. For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
2. Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

Province: Alberta

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Diploma Exam Participation Rate

- Notes:
1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
 2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.
 3. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.

B.4 Safe and Caring

3 Year Rolling Average

Province: Alberta

Percentage of teacher, parent and student agreement that: students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school.

	Alberta					
	2017 - 2019 Avg		2018 - 2020 Avg		2019 - 2021 Avg	
	N	%	N	%	N	%
Overall	272,834	89.2	261,027	89.1	264,793	89.2
Parent	34,534	89.7	35,877	89.8	36,073	90.0
Student	205,847	82.7	191,868	82.5	195,110	82.5
Teacher	32,453	95.1	33,281	95.1	33,610	95.2

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Student participation in the survey was impacted between 2014 and 2017 due to the number of students responding through the OurSCHOOL/TTFM (Tell Them From Me) survey tool.
3. 2020/21 results are not included in the 3-year average as the AEA survey was introduced as a pilot and participation was impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.

B.4 Safe and Caring

Measure History by Group - Parents

Province: Alberta

Percentage of teacher, parent and student agreement that: students are safe at school, are learning the importance of caring for others, are learning respect for others and are treated fairly in school.

	Alberta									
	2017		2018		2019		2020		2021

	2019	6,997	39	47	11	2	1	86
	2020	7,190	42	46	9	2	1	88
	2021	5,822	41	48	8	2	1	89

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.

Appendix – Definitions for Measures and Key Terms

The **First Nations, Métis and Inuit** results reported for the Alberta Education Assurance Measures only include students that self-identified as First Nations, Métis or Inuit on student registration forms. School authorities are required to report on Alberta Education Assurance Measure results for First Nations, Métis, and Inuit students in their 3-year education plans and annual education results reports for the purpose of monitoring and improving education outcomes. Please ensure context and appropriate analysis are provided whenever results for self-identified First Nations, Métis and Inuit students are shared publicly.

High School Completion Rate (3-year) is the percentage of students in the Grade 10 Cohort¹ who have completed high school by the end of their third year, adjusted for attrition².

- High school completion is defined as: receiving an Alberta high school diploma, certificate of high school achievement (completion of Knowledge and Employability courses and the certificate requirements) or high school equivalency (GED); entering a post-secondary level program at an Alberta post-secondary institution; registering in an Alberta apprenticeship program; or earning credit in a minimum of five grade 12 courses, including a Language Arts diploma exam course and three other diploma examination courses.

Post-Secondary Transition Rate (6-year) is the percentage of students in the Grade 10 Cohort who have entered a post-secondary-level program at an Alberta post-secondary institution or registered in an Alberta apprenticeship program within six years of entering grade 10, adjusted for attrition.

- An estimate of out-of-province post-secondary enrollment is applied based on the numbers of funded Alberta students attending post-secondary institutions out of province.

Diploma Exam Participation Rate (4+Exams) is the percentage of students in the Grade 10 Cohort who have written four or more diploma exams by the end of their third year in high school, adjusted for attrition.

- Students are not considered a diploma examination participant if they do not have an examination mark.

Drop Out Rate is the percentage of students aged 14 to 18 years registered in the Alberta Kindergarten to Grade 12 system who drop out the following year, adjusted for attrition.

- An initial age specific cohort of students aged 14 to 18 years is established for a given school year, excluding the following groups of students: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified as having a moderate/severe cognitive or severe multiple disability; visiting/exchange students; students attending Hutterite colony schools.
- A student who was in Alberta's education system is considered to have dropped out if:
 - There is no evidence of their participation in the Alberta education system the following school year (including in Alberta post-secondary and apprenticeship programs)
 - They did not complete high school (see high school completion measure for details).

Rutherford Scholarship Eligibility Rate is the percentage of Alberta grade 12 students who have met the eligibility criteria for a Rutherford Scholarship based on course marks in grades 10, 11 and/or 12.

- Students must have completed at least one grade 12 course. Students in the following categories are excluded: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified in the grade 12 school year as having a moderate/severe cognitive disability or severe multiple disability; students identified in the grade 12 school year as visiting/exchange students; students 20 years of age or older on September 1 of the school year.

Appendix – Definitions for Measures and Key Terms

Provincial Achievement Test (PAT) Results (Acceptable / Excellence) are based on all students in each grade (total enrollment in the grade plus the ungraded students who are in the corresponding year of schooling). Results are calculated for each test. The overall result is the average of the results for each test weighted by the number of students enrolled.

- PAT acceptable is the percentage of students who achieve the acceptable standard on grades 6 and 9 Provincial Achievement Tests.
- PAT excellence is the percentage of students who achieve the standard of excellence on grades 6 and 9 Provincial Achievement Tests.

Diploma Exam Results (Acceptable / Excellence) are based on the numbers of students writing each diploma exam. The overall diploma exam result is the average of the results for each exam weighted by the number of students writing.

- Diploma exam result (acceptable) is the percentage of students who achieve acceptable standard (i.e. a mark of 50%) on a diploma exam.
- Diploma exam result (excellence) is the percentage of students who achieve the standard of excellence (i.e. a mark of 80%) on a diploma exam.

Survey Measures

In public, separate and Francophone schools all students in grades 4, 7 and 10; their parents; and all teachers are included in the survey. In charter schools and level 2 private schools students in grade 4 and above; their parents; and all teachers are included in the survey.

- The measure results for parents and teachers are calculated by aggregating the responses to all questions that comprise the measure.
- The measure result for students is calculated by first aggregating the responses to questions within each grade grouping and then taking a simple average across grade groups.
- The overall measure result is calculated by taking the simple average of measure results for parents, teachers and students.

Table Headings

For each table displaying measure history or 3-year Rolling Averages, **N** represents the size of the underlying cohort. For example:

- **N** is the size of the Grade 10 Cohort for High School Completion Rate, Post-Secondary Transition Rate, and Diploma Exam Participation Rate.
- **N** is the size of the age-specific cohort for Drop Out Rate.
- For survey measures, **N** is the number of respondents.

Values under the % column headings represent the rate for that cohort.

Some measures are calculated using several years of data. In these cases, the years displayed in the tables and charts reflect the latest years of data included in each calculation.

¹Grade 10 Cohort: Students are included in the Grade 10 Cohort in the first school year in which they have a grade 10 registration at a public, separate, Francophone, charter or accredited private school. The following categories of students are excluded from the Grade 10 Cohort:

- a. students who register after September 30th of the school year;
- b. students who are registered in schools under provincial and federal authorities, Lloydminster school authorities or other out-of-province schools;
- c. students who have a concurrent grade 9 registration in the same school year;
- d. adult students (older than 18 when they start grade 10);
- e. students who are identified as having a moderate/severe cognitive disability or a severe multiple disability;
- f. students attending Hutterite Colony schools; and
- g. visiting or exchange students

²Attrition: The loss of students due to out-migration and mortality, referred to as “attrition”, is estimated from department and Statistics Canada data.

8 APPENDIX - DEFINITIONS FOR MEASURES AND KEY TERMS	156

What's New for Spring 2021?

This section outlines any changes to the data, calculations or measures compared to the May 2020 release.

Layout Update

- The report has been reorganized to align to the domains of the Assurance Framework.
- The “N/A” placeholder for the “Current Result” in the overall summary for the Provincial Achievement Test and Diploma Examination measures is included in the Spring reports until results can be updated in the Fall.

Data Updates

- New year of results for all survey measures.
- New year of results for all derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate and Rutherford Scholarship Eligibility Rate).

Impact of Reporting System Update on Derived Measures

- Current and historical results for **High School Completion Rate, Post-secondary Transition Rate, and Diploma Exam Participation Rate** were restated to reflect an update to the Alberta Education Assurance Measure reporting system (formerly Accountability Pillar Online Reporting Initiative) to ensure concordance with the existing student outcome measures methodology.
 - New achievement, improvement, and overall evaluations based on the restated results were calculated for the impacted measures.

Impact of COVID-19 Pandemic on 2019/20 Provincial Assessments and Student Outcome Measures

- Participation in the Provincial Achievement Tests (PATs) and Diploma Examinations was impacted by the COVID-19 pandemic.
 - Results for the 2019/20 school year are not available for the **PATs, Diploma Examinations, and Diploma Exam Participation Rate**.
 - Caution should be used when interpreting **Rutherford Scholarship Eligibility Rate** results over time.
- In the absence of the Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting **High School Completion Rate** results over time.

Introduction of the Alberta Education Assurance (AEA) Survey and Impact of COVID-19 Pandemic

- Caution should be used when interpreting survey results over time as 2020/21 was a pilot year for the AEA survey and participation was impacted by the COVID-19 pandemic. The 2020/21 survey results were not:
 - Evaluated against the provincial standards (Achievement) or previous 3-year averages (Improvement);
 - Included in the calculation of future provincial standards for new survey measures; or
 - Included in the calculation of 3-year averages used to evaluate improvement of future survey results.
- A new “N/A” (i.e., not applicable) response on the parent, student and teacher AEA surveys allowed respondents to clearly indicate when a question was not applicable. A response of “N/A” does not count towards the total number of responses in the survey result.

Required Alberta Education Assurance Measures - Overall Summary

Spring 2021

School: 1765 Walter & Gladys Hill Public School

Assurance Domain	Measure	Walter & Gladys Hill Public Sc			Alberta			Measure Evaluation		
		Current Result	Prev Year Result	Prev 3 Year Average	Current Result	Prev Year Result	Prev 3 Year Average	Achievement	Improvement	Overall

	Diploma: Excellence	n/a	n/a	n/a	n/a	n/a	24.1	n/a	n/a	n/a
Teaching & Leading	Education Quality	92.4	96.3	95.9	89.6	90.3	90.2	n/a	n/a	n/a
Learning Supports	Welcoming, Caring, Respectful and Safe Learning Environments (WCRSLE)	89.6	n/a	n/a	87.8	n/a	n/a	n/a	n/a	n/a
	Access to Supports and Services	85.7	n/a	n/a	82.6	n/a	n/a	n/a	n/a	n/a
Governance	Parental Involvement	81.0	89.6	89.2	79.5	81.8	81.4	n/a	n/a	n/a

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The 2020/21 administration of the AEA survey was a pilot. The Citizenship measure was adjusted to reflect the introduction of the new AEA survey measures. In addition, participation in the survey was impacted by the COVID-19 pandemic. Evaluations have not been calculated as 2020/21 survey results are not comparable with other years.
3. Participation in the 2019/20 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting high school completion rate results over time.
4. The "N/A" placeholder for the "Current Result" for PAT and Diploma Exam measures are included until results can be updated in the Fall.
5. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE), Français (6e et 9e année), French Language Arts (6e et 9e année), Mathematics (Grades 6, 9, 9 KAE), Science (Grades 6, 9, 9 KAE), Social Studies (Grades 6, 9, 9 KAE).
6. Participation in the Provincial Achievement Tests and Diploma Examinations was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.
7. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Mathematics 30-1, Mathematics 30-2, Chemistry 30, Physics 30, Biology 30, Science 30, Social Studies 30-1, Social Studies 30-2.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
Citizenship	0.00 - 66.30	66.30 - 71.63	71.63 - 77.50	77.50 - 81.08	81.08 - 100.00
3-year High School Completion	0.00 - 65.95	65.95 - 74.10	74.10 - 84.79	84.79 - 89.00	89.00 - 100.00
5-year High School Completion	0.00 - 72.59	72.59 - 80.82	80.82 - 89.18	89.18 - 91.96	91.96 - 100.00
PAT: Acceptable	0.00 - 66.07	66.07 - 70.32	70.32 - 79.81	79.81 - 84.64	84.64 - 100.00
PAT: Excellence	0.00 - 9.97	9.97 - 13.44	13.44 - 19.56	19.56 - 25.83	25.83 - 100.00
Diploma: Acceptable	0.00 - 71.45	71.45 - 78.34	78.34 - 84.76	84.76 - 87.95	87.95 - 100.00
Diploma: Excellence	0.00 - 9.55	9.55 - 12.59	12.59 - 19.38	19.38 - 23.20	23.20 - 100.00
Education Quality	0.00 - 80.94	80.94 - 84.23	84.23 - 87.23	87.23 - 89.60	89.60 - 100.00
Parental Involvement	0.00 - 70.76	70.76 - 74.58	74.58 - 78.50	78.50 - 82.30	82.30 - 100.00

Notes:

1. For all measures: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Student Growth and Achievement

S.1 Student Learning Engagement - Measure History

School: 1765 Walter & Gladys Hill Public School

Province: Alberta

The percentage of teachers, parents and students who agree that students are engaged in their learning at school.

	Walter & Gladys Hill Public Sc													Alberta

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Only supplemental measures with Achievement standards are included in the Supplemental AEAMs – Overall Summary.
3. Participation in the 2020/21 AEA survey was impacted by the COVID-19 pandemic. Evaluations have not been calculated as 2020/21 survey results are not comparable with other years.
4. Participation in the Provincial Achievement Tests and Diploma Examinations was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
4-year High School Completion	0.00 - 71.57	71.57 - 78.63	78.63 - 87.93	87.93 - 91.45	91.45 - 100.00
Diploma Exam Participation Rate (4+ Exams)	0.00 - 36.23	36.23 - 41.92	41.92 - 58.66	58.66 - 71.19	71.19 - 100.00
Drop Out Rate	100.00 - 9.40	9.40 - 6.90	6.90 - 4.27	4.27 - 2.79	2.79 - 0.00
Program of Studies	0.00 - 66.31	66.31 - 72.65	72.65 - 78.43	78.43 - 81.59	81.59 - 100.00
Rutherford Scholarship Eligibility Rate	0.00 - 47.98	47.98 - 55.78	55.78 - 68.95	68.95 - 74.96	74.96 - 100.00
Safe and Caring	0.00 - 77.62	77.62 - 81.05	81.05 - 84.50	84.50 - 88.03	88.03 - 100.00
School Improvement	0.00 - 65.25	65.25 - 70.85	70.85 - 76.28	76.28 - 80.41	80.41 - 100.00
Transition Rate (4 yr)	0.00 - 21.98	21.98 - 30.52	30.52 - 44.34	44.34 - 61.50	61.50 - 100.00
Transition Rate (6 yr)	0.00 - 35.49	35.49 - 49.47	49.47 - 62.88	62.88 - 72.76	72.76 - 100.00
Work Preparation	0.00 - 66.92	66.92 - 72.78	72.78 - 77.78	77.78 - 86.13	86.13 - 100.00

Notes:

1. For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
2. Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

D.6 In-service jurisdiction Needs

Measure History

School: 1765 Walter & Gladys Hill Public School

Province: Alberta

The percentage of teachers reporting that in the past 3-5 years the professional development and in-servicing received from the school authority has been focused, systematic and contributed significantly to their ongoing professional growth.

Thinking back over the past three years, to what extent do you agree or disagree that professional development opportunities made available through the jurisdiction have: Significantly contributed to your on-going professional development	2017	26	46	50	4	0	0	96
	2018	29	45	45	7	3	0	90
	2019	29	66	34	0	0	0	100
	2020	28	43	50	7	0	0	93
	2021	24	42	50	8	0	0	92

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The AEA survey was introduced as a pilot in 2020/21, when participation was also impacted by the COVID-19 pandemic. Caution should be used when interpreting trends over time.

D.6 In-service jurisdiction Needs

Detail

School: 1765 Walter & Gladys Hill Public School

The percentage of teachers reporting that in the past 3-5 years the professional development and in-servicing received from the school authority has been focused, systematic and contributed significantly to their ongoing professional growth.

Teacher - Grade 4

Appendix – Definitions for Measures and Key Terms

The **First Nations, Métis and Inuit** results reported for the Alberta Education Assurance Measures only include students that self-identified as First Nations, Métis or Inuit on student registration forms. School authorities are required to report on Alberta Education Assurance Measure results for First Nations, Métis, and Inuit students in their 3-year education plans and annual education results reports for the purpose of monitoring and improving education outcomes. Please ensure context and appropriate analysis are provided whenever results for self-identified First Nations, Métis and Inuit students are shared publicly.

High School Completion Rate (3-year) is the percentage of students in the Grade 10 Cohort¹ who have completed high school by the end of their third year, adjusted for attrition².

- High school completion is defined as: receiving an Alberta high school diploma, certificate of high school achievement (completion of Knowledge and Employability courses and the certificate requirements) or high school equivalency (GED); entering a post-secondary level program at an Alberta post-secondary institution; registering in an Alberta apprenticeship program; or earning credit in a minimum of five grade 12 courses, including a Language Arts diploma exam course and three other diploma examination courses.

Post-Secondary Transition Rate (6-year) is the percentage of students in the Grade 10 Cohort who have entered a post-secondary-level program at an Alberta post-secondary institution or registered in an Alberta apprenticeship program within six years of entering grade 10, adjusted for attrition.

- An estimate of out-of-province post-secondary enrollment is applied based on the numbers of funded Alberta students attending post-secondary institutions out of province.

Diploma Exam Participation Rate (4+Exams) is the percentage of students in the Grade 10 Cohort who have written four or more diploma exams by the end of their third year in high school, adjusted for attrition.

- Students are not considered a diploma examination participant if they do not have an examination mark.

Drop Out Rate is the percentage of students aged 14 to 18 years registered in the Alberta Kindergarten to Grade 12 system who drop out the following year, adjusted for attrition.

- An initial age specific cohort of students aged 14 to 18 years is established for a given school year, excluding the following groups of students: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified as having a moderate/severe cognitive or severe multiple disability; visiting/exchange students; students attending Hutterite colony schools.
- A student who was in Alberta's education system is considered to have dropped out if:
 - There is no evidence of their participation in the Alberta education system the following school year (including in Alberta post-secondary and apprenticeship programs)
 - They did not complete high school (see high school completion measure for details).

Rutherford Scholarship Eligibility Rate is the percentage of Alberta grade 12 students who have met the eligibility criteria for a Rutherford Scholarship based on course marks in grades 10, 11 and/or 12.

- Students must have completed at least one grade 12 course. Students in the following categories are excluded: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified in the grade 12 school year as having a moderate/severe cognitive disability or severe multiple disability; students identified in the grade 12 school year as visiting/exchange students; students 20 years of age or older on September 1 of the school year.

Appendix – Definitions for Measures and Key Terms

Provincial Achievement Test (PAT) Results (Acceptable / Excellence) are based on all students in each grade (total enrollment in the grade plus the ungraded students who are in the corresponding year of schooling). Results are calculated for each test. The overall result is the average of the results for each test weighted by the number of students enrolled.

- PAT acceptable is the percentage of students who achieve the acceptable standard on grades 6 and 9 Provincial Achievement Tests.
- PAT excellence is the percentage of students who achieve the standard of excellence on grades 6 and 9 Provincial Achievement Tests.

Diploma Exam Results (Acceptable / Excellence) are based on the numbers of students writing each diploma exam. The overall diploma exam result is the average of the results for each exam weighted by the number of students writing.

- Diploma exam result (acceptable) is the percentage of students who achieve acceptable standard (i.e. a mark of 50%) on a diploma exam.
- Diploma exam result (excellence) is the percentage of students who achieve the standard of excellence (i.e. a mark of 80%) on a diploma exam.

Survey Measures

In public, separate and Francophone schools all students in grades 4, 7 and 10; their parents; and all teachers are included in the survey. In charter schools and level 2 private schools students in grade 4 and above; their parents; and all teachers are included in the survey.

- The measure results for parents and teachers are calculated by aggregating the responses to all questions that comprise the measure.
- The measure result for students is calculated by first aggregating the responses to questions within each grade grouping and then taking a simple average across grade groups.
- The overall measure result is calculated by taking the simple average of measure results for parents, teachers and students.

Table Headings

For each table displaying measure history or 3-year Rolling Averages, **N** represents the size of the underlying cohort. For example:

- **N** is the size of the Grade 10 Cohort for High School Completion Rate, Post-Secondary Transition Rate, and Diploma Exam Participation Rate.
- **N** is the size of the age-specific cohort for Drop Out Rate.
- For survey measures, **N** is the number of respondents.

Values under the % column headings represent the rate for that cohort.

Some measures are calculated using several years of data. In these cases, the years displayed in the tables and charts reflect the latest years of data included in each calculation.

¹**Grade 10 Cohort:** Students are included in the Grade 10 Cohort in the first school year in which they have a grade 10 registration at a public, separate, Francophone, charter or accredited private school. The following categories of students are excluded from the Grade 10 Cohort:

- a. students who register after September 30th of the school year;
- b. students who are registered in schools under provincial and federal authorities, Lloydminster school authorities or other out-of-province schools;
- c. students who have a concurrent grade 9 registration in the same school year;
- d. adult students (older than 18 when they start grade 10);
- e. students who are identified as having a moderate/severe cognitive disability or a severe multiple disability;
- f. students attending Hutterite Colony schools; and
- g. visiting or exchange students

²**Attrition:** The loss of students due to out-migration and mortality, referred to as “attrition”, is estimated from department and Statistics Canada data.

5 APPENDIX - DEFINITIONS FOR MEASURES AND KEY TERMS	18

What's New for Spring 2021?

This section outlines any changes to the data, calculations or measures compared to the May 2020 release.

Layout Update

- The report has been reorganized to align to the domains of the Assurance Framework.
- The “N/A” placeholder for the “Current Result” in the overall summary for the Provincial Achievement Test and Diploma Examination measures is included in the Spring reports until results can be updated in the Fall.

Data Updates

- New year of results for all survey measures.
- New year of results for all derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate and Rutherford Scholarship Eligibility Rate).

Impact of Reporting System Update on Derived Measures

- Current and historical results for **High School Completion Rate, Post-secondary Transition Rate, and Diploma Exam Participation Rate** were restated to reflect an update to the Alberta Education Assurance Measure reporting system (formerly Accountability Pillar Online Reporting Initiative) to ensure concordance with the existing student outcome measures methodology.
 - New achievement, improvement, and overall evaluations based on the restated results were calculated for the impacted measures.

Impact of COVID-19 Pandemic on 2019/20 Provincial Assessments and Student Outcome Measures

- Participation in the Provincial Achievement Tests (PATs) and Diploma Examinations was impacted by the COVID-19 pandemic.
 - Results for the 2019/20 school year are not available for the **PATs, Diploma Examinations, and Diploma Exam Participation Rate**.
 - Caution should be used when interpreting **Rutherford Scholarship Eligibility Rate** results over time.
- In the absence of the Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting **High School Completion Rate** results over time.

Introduction of the Alberta Education Assurance (AEA) Survey and Impact of COVID-19 Pandemic

- Caution should be used when interpreting survey results over time as 2020/21 was a pilot year for the AEA survey and participation was impacted by the COVID-19 pandemic. The 2020/21 survey results were not:
 - Evaluated against the provincial standards (Achievement) or previous 3-year averages (Improvement);
 - Included in the calculation of future provincial standards for new survey measures; or
 - Included in the calculation of 3-year averages used to evaluate improvement of future survey results.
- A new “N/A” (i.e., not applicable) response on the parent, student and teacher AEA surveys allowed respondents to clearly indicate when a question was not applicable. A response of “N/A” does not count towards the total number of responses in the survey result.

Required Alberta Education Assurance Measures - Overall Summary

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The 2020/21 administration of the AEA survey was a pilot. The Citizenship measure was adjusted to reflect the introduction of the new AEA survey measures. In addition, participation in the survey was impacted by the COVID-19 pandemic. Evaluations have not been calculated as 2020/21 survey results are not comparable with other years.
3. Participation in the 2019/20 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting high school completion rate results over time.
4. The "N/A" placeholder for the "Current Result" for PAT and Diploma Exam measures are included until results can be updated in the Fall.
5. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE), Français (6e et 9e année), French Language Arts (6e et 9e année), Mathematics (Grades 6, 9, 9 KAE), Science (Grades 6, 9, 9 KAE), Social Studies (Grades 6, 9, 9 KAE).
6. Participation in the Provincial Achievement Tests and Diploma Examinations was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.
7. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Mathematics 30-1, Mathematics 30-2, Chemistry 30, Physics 30, Biology 30, Science 30, Social Studies 30-1, Social Studies 30-2.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (FNMI)

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
Citizenship	0.00 - 66.30	66.30 - 71.63	71.63 - 77.50	77.50 - 81.08	81.08 - 100.00
3-year High School Completion	0.00 - 65.95	65.95 - 74.10	74.10 - 84.79	84.79 - 89.00	89.00 - 100.00
5-year High School Completion	0.00 - 72.59	72.59 - 80.82	80.82 - 89.18	89.18 - 91.96	91.96 - 100.00
PAT: Acceptable	0.00 - 66.07	66.07 - 70.32	70.32 - 79.81	79.81 - 84.64	84.64 - 100.00
PAT: Excellence	0.00 - 9.97	9.97 - 13.44	13.44 - 19.56	19.56 - 25.83	25.83 - 100.00
Diploma: Acceptable	0.00 - 71.45	71.45 - 78.34	78.34 - 84.76	84.76 - 87.95	87.95 - 100.00
Diploma: Excellence	0.00 - 9.55	9.55 - 12.59	12.59 - 19.38	19.38 - 23.20	23.20 - 100.00
Education Quality	0.00 - 80.94	80.94 - 84.23	84.23 - 87.23	87.23 - 89.60	89.60 - 100.00
Parental Involvement	0.00 - 70.76	70.76 - 74.58	74.58 - 78.50	78.50 - 82.30	82.30 - 100.00

Notes:

1. For all measures: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (FNMI)

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Results Based on Number Writing
Alberta (FNMI)

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. Participation in the Provincial Achievement Tests was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.
3. Part A, which requires students to complete number-operation questions without using calculators, was added to Mathematics 6 in 2016/17 and Mathematics 9 in 2017/18, respectively.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (FNMI)

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
4-year High School Completion	0.00 - 71.57	71.57 - 78.63	78.63 - 87.93	87.93 - 91.45	91.45 - 100.00
Diploma Exam Participation Rate (4+ Exams)	0.00 - 36.23	36.23 - 41.92	41.92 - 58.66	58.66 - 71.19	71.19 - 100.00
Drop Out Rate	100.00 - 9.40	9.40 - 6.90	6.90 - 4.27	4.27 - 2.79	2.79 - 0.00
Program of Studies	0.00 - 66.31	66.31 - 72.65	72.65 - 78.43	78.43 - 81.59	81.59 - 100.00
Rutherford Scholarship Eligibility Rate	0.00 - 47.98	47.98 - 55.78	55.78 - 68.95	68.95 - 74.96	74.96 - 100.00
Safe and Caring	0.00 - 77.62	77.62 - 81.05	81.05 - 84.50	84.50 - 88.03	88.03 - 100.00
School Improvement	0.00 - 65.25	65.25 - 70.85	70.85 - 76.28	76.28 - 80.41	80.41 - 100.00
Transition Rate (4 yr)	0.00 - 21.98	21.98 - 30.52	30.52 - 44.34	44.34 - 61.50	61.50 - 100.00
Transition Rate (6 yr)	0.00 - 35.49	35.49 - 49.47	49.47 - 62.88	62.88 - 72.76	72.76 - 100.00
Work Preparation	0.00 - 66.92	66.92 - 72.78	72.78 - 77.78	77.78 - 86.13	86.13 - 100.00

Notes:

1. For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
2. Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (FNMI)

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Appendix – Definitions for Measures and Key Terms

The **First Nations, Métis and Inuit** results reported for the Alberta Education Assurance Measures only include students that self-identified as First Nations, Métis or Inuit on student registration forms. School authorities are required to report on Alberta Education Assurance Measure results for First Nations, Métis, and Inuit students in their 3-year education plans and annual education results reports for the purpose of monitoring and improving education outcomes. Please ensure context and appropriate analysis are provided whenever results for self-identified First Nations, Métis and Inuit students are shared publicly.

High School Completion Rate (3-year) is the percentage of students in the Grade 10 Cohort¹ who have completed high school by the end of their third year, adjusted for attrition².

- High school completion is defined as: receiving an Alberta high school diploma, certificate of high school achievement (completion of Knowledge and Employability courses and the certificate requirements) or high school equivalency (GED); entering a post-secondary level program at an Alberta post-secondary institution; registering in an Alberta apprenticeship program; or earning credit in a minimum of five grade 12 courses, including a Language Arts diploma exam course and three other diploma examination courses.

Post-Secondary Transition Rate (6-year) is the percentage of students in the Grade 10 Cohort who have entered a post-secondary-level program at an Alberta post-secondary institution or registered in an Alberta apprenticeship program within six years of entering grade 10, adjusted for attrition.

- An estimate of out-of-province post-secondary enrollment is applied based on the numbers of funded Alberta students attending post-secondary institutions out of province.

Diploma Exam Participation Rate (4+Exams) is the percentage of students in the Grade 10 Cohort who have written four or more diploma exams by the end of their third year in high school, adjusted for attrition.

- Students are not considered a diploma examination participant if they do not have an examination mark.

Drop Out Rate is the percentage of students aged 14 to 18 years registered in the Alberta Kindergarten to Grade 12 system who drop out the following year, adjusted for attrition.

- An initial age specific cohort of students aged 14 to 18 years is established for a given school year, excluding the following groups of students: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified as having a moderate/severe cognitive or severe multiple disability; visiting/exchange students; students attending Hutterite colony schools.
- A student who was in Alberta's education system is considered to have dropped out if:
 - There is no evidence of their participation in the Alberta education system the following school year (including in Alberta post-secondary and apprenticeship programs)
 - They did not complete high school (see high school completion measure for details).

Rutherford Scholarship Eligibility Rate is the percentage of Alberta grade 12 students who have met the eligibility criteria for a Rutherford Scholarship based on course marks in grades 10, 11 and/or 12.

- Students must have completed at least one grade 12 course. Students in the following categories are excluded: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified in the grade 12 school year as having a moderate/severe cognitive disability or severe multiple disability; students identified in the grade 12 school year as visiting/exchange students; students 20 years of age or older on September 1 of the school year.

Appendix – Definitions for Measures and Key Terms

Provincial Achievement Test (PAT) Results (Acceptable / Excellence) are based on all students in each grade (total enrollment in the grade plus the ungraded students who are in the corresponding year of schooling). Results are calculated for each test. The overall result is the average of the results for each test weighted by the number of students enrolled.

- PAT acceptable is the percentage of students who achieve the acceptable standard on grades 6 and 9 Provincial Achievement Tests.
- PAT excellence is the percentage of students who achieve the standard of excellence on grades 6 and 9 Provincial Achievement Tests.

Diploma Exam Results (Acceptable / Excellence) are based on the numbers of students writing each diploma exam. The overall diploma exam result is the average of the results for each exam weighted by the number of students writing.

- Diploma exam result (acceptable) is the percentage of students who achieve acceptable standard (i.e. a mark of 50%) on a diploma exam.
- Diploma exam result (excellence) is the percentage of students who achieve the standard of excellence (i.e. a mark of 80%) on a diploma exam.

Survey Measures

In public, separate and Francophone schools all students in grades 4, 7 and 10; their parents; and all teachers are included in the survey. In charter schools and level 2 private schools students in grade 4 and above; their parents; and all teachers are included in the survey.

- The measure results for parents and teachers are calculated by aggregating the responses to all questions that comprise the measure.
- The measure result for students is calculated by first aggregating the responses to questions within each grade grouping and then taking a simple average across grade groups.
- The overall measure result is calculated by taking the simple average of measure results for parents, teachers and students.

Table Headings

For each table displaying measure history or 3-year Rolling Averages, **N** represents the size of the underlying cohort. For example:

- **N** is the size of the Grade 10 Cohort for High School Completion Rate, Post-Secondary Transition Rate, and Diploma Exam Participation Rate.
- **N** is the size of the age-specific cohort for Drop Out Rate.
- For survey measures, **N** is the number of respondents.

Values under the % column headings represent the rate for that cohort.

Some measures are calculated using several years of data. In these cases, the years displayed in the tables and charts reflect the latest years of data included in each calculation.

¹**Grade 10 Cohort:** Students are included in the Grade 10 Cohort in the first school year in which they have a grade 10 registration at a public, separate, Francophone, charter or accredited private school. The following categories of students are excluded from the Grade 10 Cohort:

- a. students who register after September 30th of the school year;
- b. students who are registered in schools under provincial and federal authorities, Lloydminster school authorities or other out-of-province schools;
- c. students who have a concurrent grade 9 registration in the same school year;
- d. adult students (older than 18 when they start grade 10);
- e. students who are identified as having a moderate/severe cognitive disability or a severe multiple disability;
- f. students attending Hutterite Colony schools; and
- g. visiting or exchange students

²**Attrition:** The loss of students due to out-migration and mortality, referred to as “attrition”, is estimated from department and Statistics Canada data.

What's New for Spring 2021?

This section outlines any changes to the data, calculations or measures compared to the May 2020 release.

Layout Update

- The report has been reorganized to align to the domains of the Assurance Framework.
- The “N/A” placeholder for the “Current Result” in the overall summary for the Provincial Achievement Test and Diploma Examination measures is included in the Spring reports until results can be updated in the Fall.

Data Updates

- New year of results for all survey measures.
- New year of results for all derived measures (Drop Out Rate, High School Completion Rate, Post-Secondary Transition Rate, Diploma Examination Participation Rate and Rutherford Scholarship Eligibility Rate).

Impact of Reporting System Update on Derived Measures

- Current and historical results for **High School Completion Rate, Post-secondary Transition Rate, and Diploma Exam Participation Rate** were restated to reflect an update to the Alberta Education Assurance Measure reporting system (formerly Accountability Pillar Online Reporting Initiative) to ensure concordance with the existing student outcome measures methodology.
 - New achievement, improvement, and overall evaluations based on the restated results were calculated for the impacted measures.

Impact of COVID-19 Pandemic on 2019/20 Provincial Assessments and Student Outcome Measures

- Participation in the Provincial Achievement Tests (PATs) and Diploma Examinations was impacted by the COVID-19 pandemic.
 - Results for the 2019/20 school year are not available for the **PATs, Diploma Examinations, and Diploma Exam Participation Rate**.
 - Caution should be used when interpreting **Rutherford Scholarship Eligibility Rate** results over time.
- In the absence of the Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting **High School Completion Rate** results over time.

Introduction of the Alberta Education Assurance (AEA) Survey and Impact of COVID-19 Pandemic

- Caution should be used when interpreting survey results over time as 2020/21 was a pilot year for the AEA survey and participation was impacted by the COVID-19 pandemic. The 2020/21 survey results were not:
 - Evaluated against the provincial standards (Achievement) or previous 3-year averages (Improvement);
 - Included in the calculation of future provincial standards for new survey measures; or
 - Included in the calculation of 3-year averages used to evaluate improvement of future survey results.
- A new “N/A” (i.e., not applicable) response on the parent, student and teacher AEA surveys allowed respondents to clearly indicate when a question was not applicable. A response of “N/A” does not count towards the total number of responses in the survey result.

Required Alberta Education Assurance Measures - Overall Summary

Notes:

1. Data values have been suppressed where the number of respondents/students is fewer than 6. Suppression is marked with an asterisk (*).
2. The 2020/21 administration of the AEA survey was a pilot. The Citizenship measure was adjusted to reflect the introduction of the new AEA survey measures. In addition, participation in the survey was impacted by the COVID-19 pandemic. Evaluations have not been calculated as 2020/21 survey results are not comparable with other years.
3. Participation in the 2019/20 Diploma Exams was impacted by the COVID-19 pandemic. In the absence of Diploma Exams, achievement level of diploma courses were determined solely by school-awarded marks. Caution should be used when interpreting high school completion rate results over time.
4. The "N/A" placeholder for the "Current Result" for PAT and Diploma Exam measures are included until results can be updated in the Fall.
5. Aggregated PAT results are based upon a weighted average of percent meeting standards (Acceptable, Excellence). The weights are the number of students enrolled in each course. Courses included: English Language Arts (Grades 6, 9, 9 KAE), Français (6e et 9e année), French Language Arts (6e et 9e année), Mathematics (Grades 6, 9, 9 KAE), Science (Grades 6, 9, 9 KAE), Social Studies (Grades 6, 9, 9 KAE).
6. Participation in the Provincial Achievement Tests and Diploma Examinations was impacted by the fires in 2016 and 2019, as well as by the COVID-19 pandemic in 2020. Caution should be used when interpreting trends over time.
7. Aggregated Diploma results are a weighted average of percent meeting standards (Acceptable, Excellence) on Diploma Examinations. The weights are the number of students writing the Diploma Examination for each course. Courses included: English Language Arts 30-1, English Language Arts 30-2, French Language Arts 30-1, Français 30-1, Mathematics 30-1, Mathematics 30-2, Chemistry 30, Physics 30, Biology 30, Science 30, Social Studies 30-1, Social Studies 30-2.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (ESL)

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
Citizenship	0.00 - 66.30	66.30 - 71.63	71.63 - 77.50	77.50 - 81.08	81.08 - 100.00
3-year High School Completion	0.00 - 65.95	65.95 - 74.10	74.10 - 84.79	84.79 - 89.00	89.00 - 100.00
5-year High School Completion	0.00 - 72.59	72.59 - 80.82	80.82 - 89.18	89.18 - 91.96	91.96 - 100.00
PAT: Acceptable	0.00 - 66.07	66.07 - 70.32	70.32 - 79.81	79.81 - 84.64	84.64 - 100.00
PAT: Excellence	0.00 - 9.97	9.97 - 13.44	13.44 - 19.56	19.56 - 25.83	25.83 - 100.00
Diploma: Acceptable	0.00 - 71.45	71.45 - 78.34	78.34 - 84.76	84.76 - 87.95	87.95 - 100.00
Diploma: Excellence	0.00 - 9.55	9.55 - 12.59	12.59 - 19.38	19.38 - 23.20	23.20 - 100.00
Education Quality	0.00 - 80.94	80.94 - 84.23	84.23 - 87.23	87.23 - 89.60	89.60 - 100.00
Parental Involvement	0.00 - 70.76	70.76 - 74.58	74.58 - 78.50	78.50 - 82.30	82.30 - 100.00

Notes:

1. For all measures: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.

Required Alberta Education Assurance Measures - Overall Summary

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (ESL)

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (ESL)

Achievement Evaluation

Achievement evaluation is based upon a comparison of Current Year data to a set of standards which remain consistent over time. The Standards are calculated by taking the three-year average of baseline data for each measure across all school jurisdictions and calculating the 5th, 25th, 75th and 95th percentiles. Once calculated, these standards remain in place from year to year to allow for consistent planning and evaluation.

The table below shows the range of values defining the five achievement evaluation levels for each measure.

Measure	Very Low	Low	Intermediate	High	Very High
4-year High School Completion	0.00 - 71.57	71.57 - 78.63	78.63 - 87.93	87.93 - 91.45	91.45 - 100.00
Diploma Exam Participation Rate (4+ Exams)	0.00 - 36.23	36.23 - 41.92	41.92 - 58.66	58.66 - 71.19	71.19 - 100.00
Drop Out Rate	100.00 - 9.40	9.40 - 6.90	6.90 - 4.27	4.27 - 2.79	2.79 - 0.00
Program of Studies	0.00 - 66.31	66.31 - 72.65	72.65 - 78.43	78.43 - 81.59	81.59 - 100.00
Rutherford Scholarship Eligibility Rate	0.00 - 47.98	47.98 - 55.78	55.78 - 68.95	68.95 - 74.96	74.96 - 100.00
Safe and Caring	0.00 - 77.62	77.62 - 81.05	81.05 - 84.50	84.50 - 88.03	88.03 - 100.00
School Improvement	0.00 - 65.25	65.25 - 70.85	70.85 - 76.28	76.28 - 80.41	80.41 - 100.00
Transition Rate (4 yr)	0.00 - 21.98	21.98 - 30.52	30.52 - 44.34	44.34 - 61.50	61.50 - 100.00
Transition Rate (6 yr)	0.00 - 35.49	35.49 - 49.47	49.47 - 62.88	62.88 - 72.76	72.76 - 100.00
Work Preparation	0.00 - 66.92	66.92 - 72.78	72.78 - 77.78	77.78 - 86.13	86.13 - 100.00

Notes:

1. For all measures except Drop Out Rate: The range of values at each evaluation level is interpreted as greater than or equal to the lower value, and less than the higher value. For the Very High evaluation level, values range from greater than or equal to the lower value to 100%.
2. Drop Out Rate measure: As "Drop Out Rate" is inverse to most measures (i.e. lower values are "better"), the range of values at each evaluation level is interpreted as greater than the lower value and less than or equal to the higher value. For the Very High evaluation level, values range from 0% to less than or equal to the higher value.

Supplemental Alberta Education Assurance Measures

Measure Evaluation Reference

Spring 2021

School: 1765 Walter & Gladys Hill Public School (ESL)

Improvement Table

For each jurisdiction, improvement evaluation consists of comparing the Current Year result for each measure with the previous three-year average. A chi-square statistical test is used to determine the significance of the improvement. This test takes into account the size of the jurisdiction in the calculation to make improvement evaluation fair across jurisdictions of different sizes.

The table below shows the definition of the five improvement evaluation levels based upon the chi-square result.

Evaluation Category	Chi-Square Range
Declined Significantly	3.84 + (current < previous 3-year average)
Declined	1.00 - 3.83 (current < previous 3-year average)
Maintained	less than 1.00
Improved	1.00 - 3.83 (current > previous 3-year average)
Improved Significantly	3.84 + (current > previous 3-year average)

Overall Evaluation Table

The overall evaluation combines the Achievement Evaluation and the Improvement Evaluation. The table below illustrates how the Achievement and Improvement evaluations are combined to get the overall evaluation.

Improvement	Achievement				
	Very High	High	Intermediate	Low	Very Low
Improved Significantly	Excellent	Good	Good	Good	Acceptable
Improved	Excellent	Good	Good	Acceptable	Issue
Maintained	Excellent	Good	Acceptable	Issue	Concern
Declined	Good	Acceptable	Issue	Issue	Concern
Declined Significantly	Acceptable	Issue	Issue	Concern	Concern

Appendix – Definitions for Measures and Key Terms

The **First Nations, Métis and Inuit** results reported for the Alberta Education Assurance Measures only include students that self-identified as First Nations, Métis or Inuit on student registration forms. School authorities are required to report on Alberta Education Assurance Measure results for First Nations, Métis, and Inuit students in their 3-year education plans and annual education results reports for the purpose of monitoring and improving education outcomes. Please ensure context and appropriate analysis are provided whenever results for self-identified First Nations, Métis and Inuit students are shared publicly.

High School Completion Rate (3-year) is the percentage of students in the Grade 10 Cohort¹ who have completed high school by the end of their third year, adjusted for attrition².

- High school completion is defined as: receiving an Alberta high school diploma, certificate of high school achievement (completion of Knowledge and Employability courses and the certificate requirements) or high school equivalency (GED); entering a post-secondary level program at an Alberta post-secondary institution; registering in an Alberta apprenticeship program; or earning credit in a minimum of five grade 12 courses, including a Language Arts diploma exam course and three other diploma examination courses.

Post-Secondary Transition Rate (6-year) is the percentage of students in the Grade 10 Cohort who have entered a post-secondary-level program at an Alberta post-secondary institution or registered in an Alberta apprenticeship program within six years of entering grade 10, adjusted for attrition.

- An estimate of out-of-province post-secondary enrollment is applied based on the numbers of funded Alberta students attending post-secondary institutions out of province.

Diploma Exam Participation Rate (4+Exams) is the percentage of students in the Grade 10 Cohort who have written four or more diploma exams by the end of their third year in high school, adjusted for attrition.

- Students are not considered a diploma examination participant if they do not have an examination mark.

Drop Out Rate is the percentage of students aged 14 to 18 years registered in the Alberta Kindergarten to Grade 12 system who drop out the following year, adjusted for attrition.

- An initial age specific cohort of students aged 14 to 18 years is established for a given school year, excluding the following groups of students: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified as having a moderate/severe cognitive or severe multiple disability; visiting/exchange students; students attending Hutterite colony schools.
- A student who was in Alberta's education system is considered to have dropped out if:
 - There is no evidence of their participation in the Alberta education system the following school year (including in Alberta post-secondary and apprenticeship programs)
 - They did not complete high school (see high school completion measure for details).

Rutherford Scholarship Eligibility Rate is the percentage of Alberta grade 12 students who have met the eligibility criteria for a Rutherford Scholarship based on course marks in grades 10, 11 and/or 12.

- Students must have completed at least one grade 12 course. Students in the following categories are excluded: students who are not registered on September 30th of the school year; students registered in schools not affiliated with Alberta (e.g. Lloydminster); students registered in schools under provincial or federal authorities; students identified in the grade 12 school year as having a moderate/severe cognitive disability or severe multiple disability; students identified in the grade 12 school year as visiting/exchange students; students 20 years of age or older on September 1 of the school year.

Appendix – Definitions for Measures and Key Terms

Provincial Achievement Test (PAT) Results (Acceptable / Excellence) are based on all students in each grade (total enrollment in the grade plus the ungraded students who are in the corresponding year of schooling). Results are calculated for each test. The overall result is the average of the results for each test weighted by the number of students enrolled.

- PAT acceptable is the percentage of students who achieve the acceptable standard on grades 6 and 9 Provincial Achievement Tests.
- PAT excellence is the percentage of students who achieve the standard of excellence on grades 6 and 9 Provincial Achievement Tests.

Diploma Exam Results (Acceptable / Excellence) are based on the numbers of students writing each diploma exam. The overall diploma exam result is the average of the results for each exam weighted by the number of students writing.

- Diploma exam result (acceptable) is the percentage of students who achieve acceptable standard (i.e. a mark of 50%) on a diploma exam.
- Diploma exam result (excellence) is the percentage of students who achieve the standard of excellence (i.e. a mark of 80%) on a diploma exam.

Survey Measures

In public, separate and Francophone schools all students in grades 4, 7 and 10; their parents; and all teachers are included in the survey. In charter schools and level 2 private schools students in grade 4 and above; their parents; and all teachers are included in the survey.

- The measure results for parents and teachers are calculated by aggregating the responses to all questions that comprise the measure.
- The measure result for students is calculated by first aggregating the responses to questions within each grade grouping and then taking a simple average across grade groups.
- The overall measure result is calculated by taking the simple average of measure results for parents, teachers and students.

Table Headings

For each table displaying measure history or 3-year Rolling Averages, **N** represents the size of the underlying cohort. For example:

- **N** is the size of the Grade 10 Cohort for High School Completion Rate, Post-Secondary Transition Rate, and Diploma Exam Participation Rate.
- **N** is the size of the age-specific cohort for Drop Out Rate.
- For survey measures, **N** is the number of respondents.

Values under the % column headings represent the rate for that cohort.

Some measures are calculated using several years of data. In these cases, the years displayed in the tables and charts reflect the latest years of data included in each calculation.

¹**Grade 10 Cohort:** Students are included in the Grade 10 Cohort in the first school year in which they have a grade 10 registration at a public, separate, Francophone, charter or accredited private school. The following categories of students are excluded from the Grade 10 Cohort:

- a. students who register after September 30th of the school year;
- b. students who are registered in schools under provincial and federal authorities, Lloydminster school authorities or other out-of-province schools;
- c. students who have a concurrent grade 9 registration in the same school year;
- d. adult students (older than 18 when they start grade 10);
- e. students who are identified as having a moderate/severe cognitive disability or a severe multiple disability;
- f. students attending Hutterite Colony schools; and
- g. visiting or exchange students

²**Attrition:** The loss of students due to out-migration and mortality, referred to as “attrition”, is estimated from department and Statistics Canada data.

THE CHILDHOOD EXPERIENCES QUESTIONNAIRE

SCHOOL REPORT

2021

INTRODUCTION TO THE CHEQ

WHAT IS THE CHILDHOOD EXPERIENCES QUESTIONNAIRE (CHEQ)?

The CHEQ is a questionnaire used to gather information on children's experiences in their early environments prior to kindergarten. The questionnaire focuses on experiences in specific areas of development that are strongly linked to children's health and well-being, education and social outcomes. The information from the CHEQ helps us understand variability in children's early experiences so that educators, school districts and communities can provide better support and services to children and families.

WHY DO EARLY EXPERIENCES MATTER?

Development during the first years of life is highly influenced by a young child's experiences in their home and community. Research has shown that nurturing environments promote healthy child development. While good nutrition, shelter and protection are some of the basic aspects of nurturing environments; young children also need to spend their time in environments that include support from parents/caregivers and other adults. They need opportunities to explore their world, to play and to learn how to interact with others. These experiences help to build a strong foundation for healthy development over time.

WHY WAS THE CHEQ DEVELOPED?

Life-long health and well-being are a consequence of multiple determinants within the many intersecting environments in which children grow. Research shows that there is great variability in children's development by age 5, which present both risks and protective factors that influence developmental outcomes. To better understand this variability, a team of researchers at the University of British Columbia's Human Early Learning Partnership, in collaboration with educators, parents/caregivers and community stakeholders from across British Columbia, developed the CHEQ to measure the experiences of children prior to kindergarten. Information collected using the CHEQ is both comprehensive and actionable, and can be used to ensure that children have the opportunities and experiences they need to learn and grow.

CHEQ DEVELOPMENTAL AREAS AND EXPERIENCES

The five key developmental areas in the CHEQ are:

Developmental Areas	Experiences	Description
 Physical Health & Well-Being	Health	Overall health, visits with health care professionals, use of supports and programs
	Nutrition & Sleep	Eating breakfast, meals with family, foods consumed, sleep and related challenges
	Motor Skills & Experiences	Different types of physical activity and outdoor play
 Language & Cognition	Language & Cognition	Activities such as reading, pretend play, weaving, drawing, counting and more
 Social & Emotional Experiences	Peer Experiences	Interactions with peers and friends
	Talking about Emotions	Talking about social experiences and emotions with parents/caregivers
	Screen Time	Use of electronic devices such as computers, tablets and TVs
 Early Learning & Care	Early Learning & Care	Experiences in a non-parental care arrangement and/or preschool
 Community & Context	General Activities	Participation in community activities
	Neighbourhood Experiences	Parents'/caregivers' perception of their neighbourhood safety and social support
	Demographics	The child's and family's birth place, ethnicity and language(s) spoken

YOUR CHEQ SCHOOL DATA

This CHEQ School Report includes the collated answers to all of the questions about children's experiences. The questions are organized into sections that correspond to the CHEQ developmental areas described above. Summary tables are provided for each question and include information related to the percentage of total responses, the average score or the number of children for whom an answer was provided by a parent/caregiver.

The data in this report are a summary of the responses parents/caregivers provided for kindergarten children attending your school in the current academic year. The report provides valuable information on the unique experiences of this group. Please read the 'Using Your CHEQ Reports' section at the end of this report for more information.

83% of kindergarten students in this school have a completed CHEQ

GENERAL INFORMATION

Who filled out this survey?

ANSWERED: 54

Where is the survey being completed?

ANSWERED: 57

PHYSICAL HEALTH & WELL-BEING

Child's overall health in the last year

ANSWERED: 58

Did the child visit a health care professional in the last year?

ANSWERED: 58

Type of health care professional visited

ANSWERED: 49

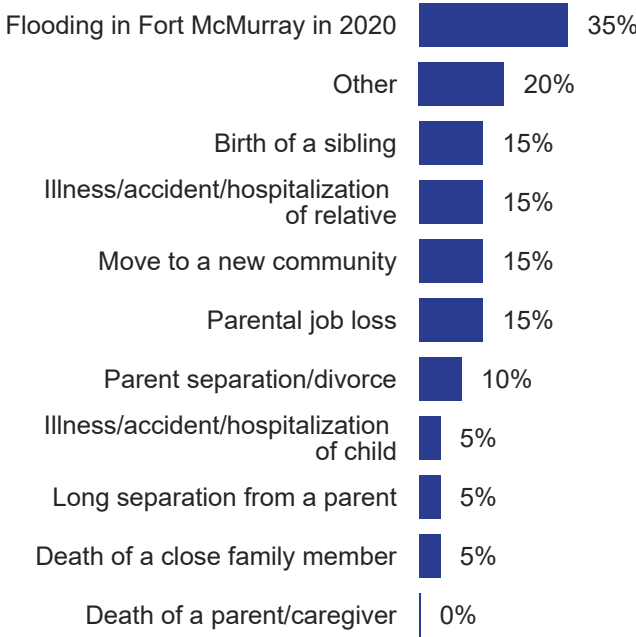

Did the child experience any stressful events in the past year?

ANSWERED: 54

Type of stressful event

ANSWERED: 20

Did the child or family use any programs or supports between the ages of...

3 years to kindergarten

ANSWERED: 57

Types of programs or supports used

ANSWERED: 19

NUTRITION

Frequency the child ate breakfast in the last 6 months

ANSWERED: 58

Frequency the child ate a meal with another family member in the last 6 months

ANSWERED: 58

Frequency the child consumed the following foods or beverages over the last 6 months:

SLEEP

Does the child have a regular bedtime?

ANSWERED: 56

Number of hours the child usually sleeps in a 24 hour period

ANSWERED: 57

Does the child face challenges when sleeping at night?

ANSWERED: 56

Challenges faced by the child when sleeping at night

ANSWERED: 39

MOTOR SKILLS & EXPERIENCES

Times per week the child took part in energetic physical activity while participating in organized activities over the last 6 months

ANSWERED: 57

Minutes per day (on average) the child took part in energetic physical activity while participating in unorganized activities over the last 6 months

ANSWERED: 57

Days per week the child played outdoors over the last 6 months

ANSWERED: 58

Degree to which the child likes to take risks while playing outside

ANSWERED: 57

LANGUAGE & COGNITION

In the last 6 months, how often did the parent/caregiver or another important person in the child's life:

In the last 6 months, how often did the child:

SOCIAL & EMOTIONAL EXPERIENCES

For the following questions, we asked the parent/caregiver to think about the last 6 months...

How often the child was around children other than their siblings

ANSWERED: 57

How often the child had a close friendship with another child around the same age

ANSWERED: 58

How often the parent/caregiver involved the child in household chores

ANSWERED: 58

How often the parent/caregiver did something with the child to help others

ANSWERED: 58

How often the parent/caregiver had the chance to talk with the child about:

The child's emotions or feelings

ANSWERED: 56

Parent's/caregiver's emotions or feelings

ANSWERED: 57

Others' emotions or feelings

ANSWERED: 57

The child's positive interactions with other children

ANSWERED: 58

The child's negative interactions with other children

ANSWERED: 57

SCREEN TIME

How much time per day the child used an electronic device in general:

How much time per day the child used an electronic device specifically for educational purposes

ANSWERED: 58

EARLY LEARNING & CARE

Was the child in a childcare arrangement other than parental care between 3 years and kindergarten?

ANSWERED: 58

Type of childcare arrangement between 3 years and kindergarten

ANSWERED: 22

Number of hours in childcare arrangement between 3 years and kindergarten

ANSWERED: 22

GENERAL ACTIVITIES

How often the child participated in/used community activities/resources:

From 3 years to kindergarten

	Never %	Once a month or less %	A few times a month %	Once a week %	A few times a week or more %
Sports programs	30	12	21	23	14
Arts, music or drama programs	67	9	9	13	2
Cultural activities programs	69	15	9	7	0
Story Time program	66	5	11	9	9
Public library	38	22	24	11	5
Faith-based program	62	9	4	19	6
Park/playground	0	5	5	17	72
Local community/recreation centre	30	16	23	9	21
The HUB	63	11	17	4	6
Other activity	35	13	13	15	23

NEIGHBOURHOOD EXPERIENCES

Number of times the child has moved homes in the last 5 years

ANSWERED: 51

Length of time the child has lived in their current neighbourhood

ANSWERED: 58

DEMOGRAPHICS

The child would describe themselves as

ANSWERED: 56

Country in which the child was born

ANSWERED: 57

If the child was born outside of Canada, year they moved to Canada

ANSWERED: 6

Country in which the parent/caregiver was born

ANSWERED: 56

If the parent/caregiver was born outside of Canada, year they moved to Canada

ANSWERED: 29

Child ethnicity

ANSWERED: 54

Family ethnicity

ANSWERED: 54

Child's first language(s)

ANSWERED: 57

Does the child currently live in more than one home?

ANSWERED: 57

Child's number of siblings

ANSWERED: 57

COVID-19 PANDEMIC

How the following routines/activities were affected for the family due to the pandemic:

How the following routines/activities were affected for the parent/caregiver due to the pandemic:

The parent's/caregiver's level of stress in the last six months due to the pandemic

ANSWERED: 53

How the child's use of services/supports were affected due to the pandemic

ANSWERED: 26

The effect of the pandemic on job status or number of work hours per week for the parent/caregiver

ANSWERED: 39

The effect of the pandemic on the job status or number of work hours per week for the second parent/caregiver

ANSWERED: 43

The effect of the pandemic on overall family income

ANSWERED: 48

How much the parent/caregiver agrees they could do the following if they wanted or needed to:
